Escow 100 Year Anniversary

Calling all CLYC members! 2023 will be the 100-year celebration for the E-Scow sailboat and I would like to pull together a history of E-Scow sailing on Chautauqua throughout the years. To do this it would be greatly appreciated if you could share any photos and/or stories from over the years. Any and all input is welcome as we are trying to gather as much information as possible. Club Manager

Hi everybody!! The weather is finally coming around which means it is almost time for another amazing summer on Chautauqua Lake and at CLYC!! We are excited for a summer where we can all get back to our normal summer activities. We can't thank our members enough for their support of the club we all love.

Our online calendar/website sailclyc.org is full of useful dates and information on all the goings-on around the CLYC, so make sure to visit often for updates as we get rolling into the season. We are coming up on so many exciting summer events to help make the 2022 season a memorable one. We will be bringing back Thirsty Thursdays and have many live music events booked throughout as well.

Our always popular Annual Shore Party is always one to plan for!!

Keep an eye open for all the improvements and additions around the club including new pavers, upgraded pool area, and more. I look forward to your feedback and suggestions and implore you to reach out by phone, email, or in-person to discuss what is on your mind. We will continue to make improvements around the club and listen to all of your suggestions and ideas.

Another overwhelmingly big thank you to our membership for their continued support and as always, I will see you at the club!!

Our goal is to help your child build the swimming skills and confidence needed to thrive in future sailing instruction. In addition to daily swimming lessons, kids will sail between the CLYC docks with instructors and of course, there will be plenty of time for fun and games.

Mini JP will run from 9 am to 12 pm during weeks 2-5 of JP (see below)

July 5-July 8th
July 11-July 15th
July 18-July 22nd
July 25-July 29th

Participants will be limited and we will not be able to guarantee spots.

Please find additional JP and Mini JP information on our website. If interested in participation, fill out the registration form, medical consent, and mail with payment to the address listed on the form.

Docks & Yards

The Road to Success is Always Under Construction
If the adage "the road to success is always under construction" applies, Dock & Yards has been in hot pursuit of success over the last 90 days. Our overall goal at D&Y has always been to enhance the look, feel and function of the club in any way that we can. With the willing support of the current board we have tried to use the Club's resources wisely and have achieved the following:

1. Completion of the paver project between the patio, pool and locker room building.
2. Installation and re-configuring of the main dock yielding 5 additional rentable slips - 3 which have already been rented. Elimination of the slip waiting list.
3. Replacement of 32 old spring poles with new ones - 6 extra for stock.
4. Completion of re-working the old laser dock by adding new stairs on south and east sides, repairing the deck surface and adding a lakeside railing for safety. Picnic tables have been added and the deck is now ready for re-purposing by JP.
5. Complete clean out of the upper lot shed and adding a stockade fence enclosure on the back of the shed for out-of-sight storage. Removal of the plastic storage unit on the south side of the shed and replacement of the entrance ramp. The shed was jacked up and leveled.
6. Repoured the concrete pool perimeter wall and removed the stones under the glass pool fence and replaced them with a black stone, water permeable polymer cap around the entire pool.
7. General upgrading of the landscaping. Planting of flowerpots for pool area (4), front door (2) and patio (2). Replaced winter-damaged boxwoods on patio planters.
8. Installed all new flags on the flagpole.
9. Purchased 41 new chairs for patio.
10. Scrapped out the old crumbling plastic lawn chairs and broken chess pieces.
11. Redid landscaping around rental property.
12. Upper deck awning installed.
13. Poured concrete pad in upper parking area to prepare for fencing around 2nd dumpster and grease tank.
14. Purchased new corn hole platforms and bean bags.

Upcoming Projects for 2022

1. Finish doing fencing around dumpster and tank.
 2. Paint the white wall.
 3. Improve the e-scow movable docks.
 4. Repair winter patio drop tarps.
 5. Replace upper deck drainage pipe.
 6. Stain the upper shed and add window boxes.
 7. Get the files up to date on all slip rentals.
 8. Get approval and disseminate the updated docks, yards and slip policy.
 9. Tree work on old maple in parking lot to remove a safety hazard.
 10. Name labels for all the winter storage lifts.
- As always, we welcome your suggestions and comments.

The 2nd annual Chautauqua Lake Sailing Rallye will be held on Saturday, July 16, 2022. The event is held in conjunction with the Summer SAILstice, visit www.summersailstice.com, the annual international celebration of sailing. Our event will be held a month later though. This is a fund-raising event- all proceeds will benefit the Chautauqua Watershed Conservancy (CWC), whose mission is to preserve and enhance the water quality, scenic beauty, and ecological health of the lakes, streams, wetlands, and watersheds of the Chautauqua region.

Membership

The club hit the ground running with the start of the 2022 Season in May! This is always a busy time for the membership committee, but we now seem to be wearing new hats. In the past we'd be spending this time planning the New Member

We Want You!
You recently received the email describing CLYC's board responsibilities and that there is an immediate opening to fill two spots from recent resignations. If you are interested in being considered or if you have questions, please send your bio to board2022@sailclyc.org. As mentioned, the first position to fill is Pool Chair. Thanks to those of you who have already responded.

Party to try to increase membership, but now we find ourselves managing the waiting list! Thanks for your patience for those of you who applied last August and are just now able to join. We're thrilled so many people want to be a part of our club.... what's not to love? We're lucky to have such a diverse group of people and all the new members have only enhanced who we are. There are a lot of new faces at the club, so reach out a hand and make them feel welcome! The 2022 Roster and membership cards are underway and should be wrapped up to print in the next couple of weeks. If you have any pictures to share for the roster cover, please email them to me!

News from the
Chautauqua Lake Yacht Club

Hello Summer!

Commodore

Dear Fellow CLYC members,

It is my tremendous honor to be addressing you in my first year as Commodore of the CLYC. The Board and I are tirelessly working to assure the best experience our club can offer, and with summer finally here we're ready for another tremendous year. The docks and lifts are in, and we added several more slips this year which has eased some of the waitlist challenges. Adolph's pavers are installed, providing a beautiful transition from the outdoor dining to the pool area, and the pool retaining wall has received some much needed attention. The busy social scene kicked off with the annual Kentucky Derby party, which is always a huge event. Faith has a full calendar of parties planned throughout the summer ahead, so we look forward to seeing you there. The JP program is anticipating another successful year with a majority of Pirates, Vikings and Captain sailors returning from last year, welcoming even more Sea Dogs to the crew. And finally, those of you that frequent the restaurant know the kitchen is putting out some of the best food in Western New York....I encourage you all to come down and enjoy!

All the best,
Tom Bertges, Commodore

House

Hello Members!

We look forward to continuing a spectacular 2022 season! There are a few big changes that we are proud to announce.

First and foremost is the promotion of Peter Page to full-time Sous Chef. Peter has been with us for eight years and has consistently shown his skills in the restaurant and dedication to our club. Peter is growing into a leadership role within the kitchen as a mentor and supervisor to staff under him. He's working closely with Chris to ensure that the quality of food you enjoy is just going to keep getting better. Every Friday you will see Peter's specials on the menu, and chances are if you have been in the club dining in the last few months it was Peter executing on the meal you enjoyed!

Our menu will continue to rotate bi-weekly. If you are missing your favorites be sure to let us know and we will work them back into the rotation.

Secondly, we have added a Pool Concierge for the season. The Pool Concierge will be a dedicated server working poolside to take drink orders, tidy up, and ensure guests are checked in appropriately. You will see the Pool Concierge from 12pm to 4:30pm on Fridays and Saturdays; 12pm to 5pm on Sundays.

As always, we appreciate any feedback you have. Thank you for supporting the club and we look forward to the rest of a great season!
